

Chapter 1.	4	HISTORY OF THE YORKSHIRE CANARY	
	1.1	Yorkshire origins	1.2 History of YCC
Chapter 2.	11	HOUSING, CAGES AND EQUIPMENT	
	2.1	Housing	2.4 Example birdrooms
	2.2	Cages	2.5 Fanciers tips
	2.3	Equipment list	
Chapter 3.	17	STARTING UP	
	3.1	Stock selection	3.3 Faults to avoid
	3.2	How many birds	3.4 Breeders comments
Chapter 4.	21	BASIC GUIDE TO FEEDING	
	4.1	Basic needs	4.2.4 Soaked seeds
	4.2	Feeding cements	4.2.5 Softfoods
	4.2.1	Seeds	4.2.6 Supplements
	4.2.2	Minerals & grits	4.3 Fanciers feeding tips
	4.2.3	Greens and fruits	4.4 Article R Laarman
Chapter 5.	31	VITAMINS MINERALS SUPPLEMENTS	
	5.1	Dietary deficiency	5.2.4 Minerals
	5.2	Balanced diets	5.2.5 Natural sources
	5.2.1	Carbohydrates	5.3 Supplements
	5.2.2	Proteins	5.4 Fanciers' comments
	5.2.3	Vitamins	5.5.6 Article M P James
Chapter 6.	40	FEATHER QUALITY	
	6.1	Why a big issue	6.4 Quality and colour
	6.2	Types of feather	6.5 Pairing for quality
	6.3	Feather types	6.6 Breeders' comments
Chapter 7.	49	BREEDING	
	7.1	The annual cycle	7.4.1 Preparation
	7.2	Observing nature	7.4.2 Introducing the nest
	7.3	Breeding systems	7.4.3 Introducing the cock
	7.3.1	Pair breeding	7.4.4 The first egg
	7.3.2	Running the cock	7.4.5 Incubation
	7.3.3	Colony breeding	7.4.6 Hatching
	7.3.4	Line breeding	7.4.7 Rearing
	7.3.5	In-breeding	7.4.8 Weaning
	7.3.6	Outcrossing	7.5 Article J Mason
	7.4	Season events	7.6 Fanciers' tips
Chapter 8.	67	BASIC GENETICS	
	8.1	Natural laws	8.8 Dominant & recessive
	8.2	Heredity	8.9 Phenotype and genotype
	8.3	Germ cells	8.10 Novelties
	8.4	Chromosomes	8.11 Innate character
	8.5	Genes	8.12 Variation
	8.6	Mutation	8.13 Glossary
	8.7	Genetic character	

Chapter 9.	75	THE CINNAMON YORKSHIRE	
	9.1	History of cinnamon	9.5 Cinnamon pairings
	9.2	Cinnamon factor	9.6 Summary of pairings
	9.3	Clear cinnamons	9.7 Cinnamons at shows
	9.4	Sex determination	9.8 Points competition
Chapter 10.	89	WHITE AND ALLIED COLOURS	
	10.1	Dominant/recessive	10.5 The Lethal factor
	10.2	Ground colour	10.6 Cinnamon factor
	10.3	Colour points	10.7 Colour feeding

Chapter 11.	96	NON-FED GREENS	
	11.1	How to breed green	11.3 The effects of sunlight
	11.2	Birds to avoid	
Chapter 12.	99	MOULTING	
	12.1	The effects of light	12.3.3 When to stop
	12.2	Considerations	12.4 Stuck in the moult
	12.2.1	Make or break time	12.4.1 Old fashioned remedy
	12.2.2	Avoiding draughts	12.4.2 Easy to spot changes
	12.2.3	Predefined pattern	12.4.3 Hardening off
	12.3	Colour feeding	12.4.4 Soft Moults
	12.3.1	Feeding methods	12.5 Fanciers comments
	12.3.2	When to commence	
Chapter 13.	107	TRAINING	
	13.1	How to accomplish	13.2 Cautionary words
Chapter 14.	110	EXHIBITION STANDARD	
	14.1	Standard and points	14.5 Head qualities
	14.2	Judge to the model	14.6 Size and length
	14.3	Position first	14.7 The body beautiful
	14.4	Hidden angles	14.8 Feather quality
Chapter 15.	123	TECH. MARKS, CLASSIFICATION	
	15.1	Technical mark rule	15.2 Illustrated guide
Chapter 16.	129	EXHIBITING YORKSHIRES	
	16.1	Preparation	16.2 Fanciers' advice
Chapter 17.	135	YORKSHIRE SHOW CAGE	
	17.1	Cage specification	17.2 Fanciers' comments
Chapter 18.	137	HEALTHCARE	
	18.1	Responsibilities	18.4 Common illnesses
	18.2	Signs of good health	18.5 Feather problems
	18.3	Signs of trouble	18.6 Mite
Chapter 19.	150	GLOSSARY OF TERMS	
Chapter 20.	154	THANKS & SPONSORS
